

WEIL CORNELL OFFICE OF CME
PROTOCOL FOR EXCESS COMMERCIAL SUPPORT FUNDS
(addendum to Policy on Commercial Support)

If commercial support grants received for a CME activity exceed the activity expenses for which that support was designated, the Course Director and/or his/her department may apply in writing to keep the excess funds at the discretion of the CME Committee, provided that keeping the funds is not in violation of ACCME Standards for Integrity and Independence, Weill Cornell's Letter of Agreement or any other agreement with the commercial supporter.
